Please meet at the C&C lot off of Hind Pl (see map)

Activities include opelo clean up & mapping California grass areas.

Kids are encouraged to come to learn about the only unlined stream in the Maunaloa region. Bring nets to catch & release.

This event is part of a region-wide volunteer leader based Malama Maunaloa watershed program called *Pulama Wai—Cherished Water*. In 2012, a network of volunteers cleared approximately 30,000 lbs of dirt & debris from the Maunaloa stream channels which otherwise was destined for our bay. Please contact us @ 395-5050 for more information on how to get involved, or to find out how to become a Volunteer Leader in your neighborhood. Mahalo!

If it is raining heavily, we will postpone the event. Rain date TBD. Check the Malama Maunaloa online events calendar for event status @
