

Beach Cities Robotics Student Contract

By signing below, I acknowledge and promise to abide by the following:

1. I have read the Beach Cities Robotics team handbook.
2. I understand that participation in Beach Cities Robotics requires regular participation in scheduled meetings, team work sessions, and events.
3. I understand that I am responsible for arranging my transportation to and from team meetings, work sessions, and events.
4. I understand that fundraising is essential to the success of the team and agree to raise a minimum of \$200 to support the team.
5. I understand that equipment used during the construction of robots can cause serious injury if not used correctly, that I am not permitted to use any piece of equipment until I have been instructed on its safe use, and that I may only use said equipment under direct adult supervision.
6. I understand that the team will travel to robotics competitions. If eligible to travel, I may be absent from school and am responsible for notifying my teachers and school in advance to make up any required classwork.
7. I agree to honor curfews and other rules at competitions, to cooperate with adult chaperones, to keep the chaperones informed of my location at all times, and to participate fully in the competitions. I understand that I may be sent home at my parents' expense if I do not meet these conditions.

Students are eligible to participate in competitions if ALL of the following are true:

- Student maintains a grade point average of at least 2.0, does not have any Us, and has the permission of their mentors, chaperones, parents and school.
- Student participates **actively and constructively** in team meetings, outreach activities, and work sessions.
- Student raises a minimum of \$200 per year.

Any student whose eligibility is questioned may have his or her case reviewed by the Steering Committee.
